

## Discussion Guide

1. Have you ever doubted that God was the creator? Why?
2. How does nature reveal the idea of a creator?
3. Consider Job 38-39 and Genesis 1-3. How does scripture support the idea of a creator?
4. For a moment, consider this opinion, "there is no intelligent designer or God." What are the implications of this idea for your life? How does that change your life?
5. If God is creator then everything changes. What is the proper response to believing God is creator? How does that change your life?
