

1. What is the “culturally communicated” role of women in our society?
2. Talk about the difference between masculinity and femininity. Is there a tension between the sexes in our culture? Why?
3. Read 1 Corinthians 11:7-12. This idea was presented in the sermon; in marriage, “the woman is created with her man in mind.” How does that idea impact marriage? How does this idea connect to the idea of God creating woman as a “helper” for man?
4. How does a single lady live out her role as a woman in our culture?
5. 1 Peter 3:1-6. How do these verses challenge you as a married lady?
