Exodus - God's Great Rescue

Sermon Title and Passage:

The Reminder. Exodus 14.

1. God established reminders for the people of Israel. God did this so they would not forget that He rescued them from Egypt. How do you remember God's great rescue of you?
2. The people were ask to consecrate, or set apart, their firstborn sons. Why did God assign this special responsibility to the parents and the firstborn son? How was this a reminder to the family and those in the community? What can you do to remind the community of your redemption in Christ?
3. "Freedom is not doing what you want to do but what you ought to do." Does this statement line up with our culture's view of freedom? Why or why not?
4. In the New Testament, we discover that all of us in the church have been set apart to serve God. What does a life consecrated to God look like?
5. Do you ever get distracted from your life as a "royal priest?" What distracts you most? How can this group pray for you?
