**Sermon Passage:**

Exodus 20:4-6; 1 John 5:21

1. How would life be different if the 10 commandments were simply helpful tips and suggestions instead of “commands” from God?
2. “Idolatry always leads to immorality.” What is idolatry? How do idols in our lives lead us to sin?
3. “We live by God’s Word to prevent idolatry in our lives.” How do you saturate your life with God’s Word to avoid idolatry? How does God instruct us to worship Him?
4. What does it mean for God to be a “jealous” God?
5. How have you turned a good gift from God into an idol? Possible good gifts we worship instead of God; house, career, spouse, farm, hobbies, etc...
6. What idolatry do you need to repent of today?
