

## Sermon Series: Exodus - God With Us

### Sermon Passage: Exodus

1. During the construction of the tabernacle the people were reminded to rest one day per week on the Sabbath. Does your life seem busy and out of control? Why is resting 1 day each week important?
2. Read Ephesians 2:12-22. God designed the church with NO dividing walls of hostility. How is this picture of the church different than the current picture of culture? What is our role as a church to breakdown these walls?
3. In the church, each of us are gifted with the presence of the Holy Spirit, and we each have a 'Holy Spirit given' gift. What is your spiritual gift? How do you discover it? Are you using it?
