

Sermon Series: Who is Jesus?

Was Jesus simply a good man, another prophet, demon possessed, a great teacher, a fairy tale...? Or, is Jesus the one true God, creator, savior, the only way to eternal life...? There are many ways to research the answer to the question, who is Jesus. In this summer sermon series, we give the microphone to Jesus and ask him.

Sermon Passage: John 6:35-52

1. Read John 20:30-31. Why did John write this gospel of Jesus?
2. Read John 6:35. Are you satisfied or hungry? What does the statement “shall not hunger” mean? Can someone be completely satisfied in Christ?
3. John 6:37. “You are a gift to Jesus from the Father.” How does this truth make you feel? What is an appropriate response to this truth?
4. The bread of life, the satisfaction we seek, is not a religion, a way of life, or just an idea, it is the person of Jesus. Do you ever let religion or your personal motives distract you from truly following Jesus? What is your motivation to follow Jesus?
