

**Sermon Series: Who is Jesus?**

*Was Jesus simply a good man, another prophet, demon possessed, a great teacher, a fairy tale...? Or, is Jesus the one true God, creator, savior, the only way to eternal life...? There are many ways to research the answer to the question, who is Jesus. In this summer sermon series, we give the microphone to Jesus and ask him.*

**Sermon Passage: John 10:11-30**

1. Read John 10:14. Jesus says, “I know my own.” How do you respond to your “own” children differently than other children? If Jesus calls us His “own,” what can you expect when you are in a relationship with Him?
2. Read Ezekiel 34:23-24. Who is Ezekiel prophesying about in these verses? How do you know?
3. In difficult times, have you ever felt as though your Shepherd, Jesus, has deserted you? How should we respond to the Shepherd during these times?
4. Read Revelation 7:17. What is the hope of this passage? How can this passage give you hope for today?
5. Are you a sheep in Jesus’ flock? How do you know?
