

Sermon Series: Ephesians: BluePrint - God's Design for the Church

Bible Passage: Ephesians 4:25-32

Discussion Questions:

1. "God has given us a new wardrobe." We are to put on new behaviors as believers in Christ. What do your daily actions and behaviors reveal about your identity?
2. When is that last time you actually cleaned out your closet? What clothes did you get rid of? Why? Why is it important to clean out your spiritual closet?
3. Read Ephesians 4:26. How can you not "let the sun go down" on your anger?
4. Read Ephesians 4:29. How do words tear down or build up others?
5. Read Ephesians 4:32. Describe the forgiveness of Christ. How is His forgiveness like or unlike how you forgive others?

Moving Forward:

Christ has given you a new wardrobe. Are there old clothes in your spiritual closet? Pray for God's help to remove these clothes, and then take a step this week to clean those clothes out of your closet.
