

Sermon Series: Blueprint: FAMILY - God's Design for the Church

Sermon Passage: Ephesians 5:25-33

Discussion Questions:

1. How do you define love?
2. Read Ephesians 5:25. Husbands, what example of love does Paul give us to follow? Describe God's love for the church.
3. In the sermon, husbands are encouraged to love their wives *sacrificially*. Provide examples of sacrificial love versus selfishness.
4. How does your relationship with Christ impact your relationship with your wife? Is it possible to follow Paul's instructions to love your wife without growing in your relationship with Christ? Discuss.
5. Specifically, how are you nourishing and cherishing *your* wife?

Moving Forward:

Husbands, have you been loving your wife as Christ loves the church? Do you need to ask your wife for forgiveness? Pray for wisdom and courage to love your wife as Christ loves the church, and then take action to love your wife today.
