**Today's Message:**

Exodus 2

1. Share your favorite Exodus moments of chapter 2. What evidence do we see that "God is at Work" in the lives of the Hebrew people?
2. After reading chapter 2, if you didn't know the rest of the story, you may not realize that God is up to something really big in the life of Moses and the Hebrew people. Can you trust that God is at work in your life even when it seems He is silent? Share an experience.
3. The Hebrew people are enslaved to the Egyptians. Do you ever feel enslaved? What is enslaving you?
4. How can we be delivered from the slavery of sin?
5. God rescues Moses so that Moses can be used to rescue the Hebrews. Do you believe God has rescued you to rescue others? Who has God placed in your life that needs rescue?
6. What will you do this week to rescue those in your life that need Christ?
