

Sermon Series:
Exodus - God's Great Rescue

Sermon Passage:
Exodus 16

1. The people of Israel turned to Aaron and Moses for an answer to their hunger. As followers of Jesus, when life takes a tough turn, where should we turn? Why?
2. As a good father, God answers the people's grumbling with a good gift. How do you respond to people who grumble against you?
3. Read Exodus 16:12. What was God's purpose for giving the people food from heaven? How do you respond to God's gifts? Do we glorify Him with His gifts?
4. God rescued the Israelites from Egypt, but they didn't trust Him for food when they were hungry. What does it look like to depend on God for our daily needs?
5. Israel failed to follow God's instructions. So do you and I. Our hope is not in our obedience, but in Jesus who did obey. Do you ever place your hope in your obedience? What usually happens when you place your trust in you?
6. Our appetites can only be satisfied in Christ. Do you have a hunger for true and abundant life? Do you know Christ?
