

**Sermon Series:**

Blueprint: God's Design for the Church

**Key Passage:**

Ephesians 1:15-23

**Discussion Questions:**

1. Read 1:18. Who "enlightens" the eyes of our heart? As a believer in Christ, how are you "enlightened" to see and know God each day?
2. In verses 18-19 Paul prays that we would know the *hope*, *riches*, and the *power*. Based on this passage, how would you describe the *hope* Paul is speaking of?
3. When Paul says *riches*, is he referring to material riches in this life? If not, what are the riches Paul is referring to?
4. Read verses 19-23. How does Paul describe the "*immeasurable greatness of his power towards us who believe?*"
5. As a believer in Jesus, do you believe that you have the same *power* that raised Jesus from the dead in you? How does God's *power* change your everyday life?

**Prayer**

Ask God to make the hope, riches, and power He has to be real in your life this week. Do you trust him? Do you believe in Him?
