

Sermon Series: Blueprint: God's Design for the Church

Sermon Passage: Ephesians 2:1-10

Getting Started: What is the church? Is it a building? What has God accomplished for the church? What is the church supposed to do? We will be exploring those questions and more as we journey through Paul's letter to the Ephesians.

Discussion Questions:

1. As we study through Ephesians, we have discussed 2 of our church's core values: 1) Saints not Sinners and 2) Salvation is God's Work for God's Glory. Spend some time discussing these 2 core values. How do these values impact your life?
2. Today, we discussed core value 3) Grace is God's Enabling Power. What does it mean to be "saved by God's grace?" What's your role in salvation? What's God's role in salvation?
3. In the sermon, Bro. Ricky spoke about what we have been saved **from, by, and for**.
 - a) What have we been saved **from**? (see verses 1-3)
 - b) What have we been saved **by**? (see verses 4-6)
 - c) What have we been saved **for**? (see verses 7-10)
4. How will this passage cause you to live differently this week?
