

**Sermon Series:**

Blueprint: God's Design for the Church

**Key Passage:**

Ephesians 3:14-21

**Discussion Questions:**

1. During the sermon, believers in Christ are encouraged to give Christ the “key to your heart” so that He may “dwell in your hearts through faith.” (Ephesians 3:17). Does Christ have full access to your heart? How would your life change if you gave Christ full access to your heart?
2. Ephesians 3:18 “may have the strength to comprehend with all the saints...” How have other saints of God helped you to comprehend the love of Christ?
3. God envisioned the church “evangelizing” not “colonizing.” How do we break down national, gender, and socioeconomic walls that try to form in the church?
4. Consider the love of Christ; a wider, longer, higher and deeper love. Think about your life circles. Who needs to experience this love?
5. Have you ever been full of anger, with food, etc...? What would a life look like if it were “filled with all the fullness of God?”

**Moving Forward:**

Take time this week to meditate on the breadth and length and height and depth of Christ's love. Be prepared, Christ's love “surpasses knowledge.”
