

Sermon Series: The Stories of Christmas

Bible Passage: Revelation 12:1-6; John 1

Discussion Questions:

1. Reference: Revelation 12:1-6. Throughout Biblical history, there has been a struggle between the “dragon” and the “child.” Who is the dragon? Who is the child? Why is there an ongoing struggle?
2. Who is victorious in this ongoing battle? What events lead to this victory? (Reference Revelation 12:7-11).
3. Read John 1:14. How is John’s gospel introduction connected to the Christmas story?
4. During the sermon, Bro. Ricky describes the “accuser of the brothers” as the great enemy of Christmas. How are we, as believers in Jesus, accused today?
5. How can you experience the true victory that Christmas brings us? How can you help others experience this victory?

Prayer:

Name 1 person who is closely connected to you that needs to hear the true story of Christmas. Develop a plan to share the story with them this week. You might do this through a card, email, text, phone call, or a personal meeting over coffee.
